Corps Facts

Kenneth E. Buck

Feb. 27, 2002
PA-02-08

Kenneth E. Buck was selected as the Construction-Operations Division chief in May 1999. His previous assignment was as chief of the Construction Branch for the Civil Works Directorate at the U.S. Army Corps of Engineers headquarters in Washington, D.C.

Buck began his career with the Corps in 1972 as a member of engineering division with the Kansas City District. In 1975, he moved to the Mobile District to gain experience in construction quality management and contracting procedures. Since that time, he has been a resident engineer at numerous locations, to include the Milan Army Ammunition Plant in Milan, Tenn.; Sinai, Egypt; Sinai, Israel; Japan; and Pine Bluff, Ark. Buck is a member of the Acquisition Work Force.

Buck received his first bachelor's degree in mathematics from St. Benedicts College in Atchison, Kan., and his second in civil engineering from Kansas State University in Manhattan, Kan. He holds a master's degree in technical administration management from Central Michigan University in Mount Pleasant, Mich. He is a graduate of the Army Management Staff College and a member of the Society of American Military Engineers.
